**REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000 Ref No: FOI2018/00099**

I write in connection with your request for information received on 8th January. I note you seek access to the following information:

**Please confirm if your police force reports victims and/or witnesses of crime to the Home Office for immigration enforcement.**

**If you do, please confirm what policies are in place relating to this and whether you are relying on Operation Nexus guidelines to do this.**

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

**Response** - Following enquiries within the Constabulary please see our response below;

Hertfordshire Constabulary does not require its officers and staff to report victims and/or witnesses of crime to Home Office Immigration Enforcement (HOIE) on a routine basis.

It would not be routine practice at an operational level, and outside of an overarching policy. However, and as with any other offence, reporting or liaising with HOIE could occur in circumstances where an immigration matter is discovered or disclosed during an investigation, or where the individual concerned is also a suspect. In the latter case, and where the subject is a foreign or dual national, an international criminal history check would be carried out which, if serious offences were uncovered, and could lead to a Home Office referral.

The data presented in this response is an un-audited snapshot of un-published data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.

Should you have any further enquiries concerning this matter please do not hesitate to contact me quoting the above reference number.

Yours sincerely
