**REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000 Ref No: FOI2018/00324**

I write in connection with your request for information received on 19th January. I note you seek access to the following information:

**I would like to make the following Freedom of Information request to your force, please.**

**1. In the last two calendar years (2016 and 2017 Jan-Dec) how many persons have reported being a victim of revenge porn? By revenge porn, I refer to 'the distribution of a private sexual image of someone without their consent and with the intention of causing them distress.'**

**Please break down by year.**

- 1. For each alleged victim who reported revenge porn, please state their occupation (I realise that not every case will have a reported occupation, so this request refers to those which did include an occupation on the report).**
- 2. For each alleged victim, please break down by age at the time of the reported offence (if you only have the age they were when they made the report to the police, that will suffice).**

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

Following enquiries within the Constabulary please see our response below.

**Response** – Please see the attached Excel spreadsheet attached to your email.

**Attachment** – FOI2018 00324 Annex A The numerical data presented in this response is an un-audited snapshot of unpublished data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.

Should you have any further enquiries concerning this matter please do not hesitate to contact me quoting the above reference number.

Yours sincerely
