REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000 Ref No: FOI2018/02295

I write in connection with your request for information received on 29th April. I note you seek access to the following information:

I'd like to request data on hate crimes in your county, specifically religious or racial hate crimes (we are interested in anti-Muslim incidents).

I would like to know crime type, outcome, date, district, and the victim identity (race, gender, age if possible) from January 2015 until the most recent data available.

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

Response - Following enquiries within the Constabulary please see our response below;

Please see the attached FOI2018 02295 Annex A document which is relevant to your request. **Please note** – The information has been provided in separate tables to ensure that an individual cannot be identified, if the data was not presented in this way it would be exempt under Section 40 – Personal Information.

The numerical data presented in this response is an un-audited snapshot of un-published data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.

Should you have any further enquiries concerning this matter please do not hesitate to contact me quoting the above reference number.

Yours sincerely
