I write in connection with your request for information received on 13th February. I note you seek access to the following information:

I am a retired officer carrying out research into the cost charged by each force in supplying both a CEV of an individuals pension and a Pension Sharing Order.

To this end I will be grateful if you give the charge made for both items, together with the number of hours involved in arriving at such cost.

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

Following enquiries within the Constabulary please see our response below.

Following your request, searches were conducted at Hertfordshire Constabulary for information relating to injured on duty pensions.

These searches failed to locate any records or documents relevant to your request as this information is held by Kier Group. Accordingly I have determined that Hertfordshire Constabulary do not hold the information you have requested.

Should you have any further enquiries concerning this matter please do not hesitate to contact me quoting the above reference number.
