REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000 Ref No: FOI2018/02047

I write in connection with your request for information received on 17th April. I note you seek access to the following information:

I am writing with a Freedom of Information request regarding the police officers / civilian police staff.

I would like the total number of police officers / civilian staff in your force that have been convicted of a criminal offence in the last five years to March 31 2018.

I would also like the data divided between police officers and police civilian staff.

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

Response - Following enquiries within the Constabulary please see our response below;

The Professional Standards Database has been searched for cases where a conviction has been recorded within a case between 1/4/2013 to 31/3/2018. Driving and Road Traffic Act convictions (excluding Fixed Penalty Notices) are included. Data relates to officers and staff who were serving at the time of conviction.

	Officers including special constables	Staff
Number convicted	11 (none remain in Force)	6 (1 remains in Force)

The numerical data presented in this response is an un-audited snapshot of un-published data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.

Should you have any further enquiries concerning this matter please do not hesitate to contact me quoting the above reference number.

Yours sincerely
