**REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000 Ref No: FOI2018/05797**

I write in connection with your request for information received on 11th October. I note you seek access to the following information:

**I am requesting the following information under the freedom of information act:**

**-How many reports of domestic abuse has your force responded to since January 1, 2013? I mean any incident reported on your 101, 999 and other reporting methods such as online. It is fine to include incidents responded by chance while on routine patrol.**

**-How many victims did not support prosecution?**

**-In how many cases did you seek to press charges despite the fact the victim did not support further action?**

**Please break the data down year-by-year.**

**I know similar requests have been submitted by your force but I don't believe the responses cover the entire time period I'm after.**

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

Following enquiries within the Constabulary please see our response below.
