**Weapons involved**

*Please Note: The information below shows the numbers of weapons involved in these offences. It is not possible to say categorically how many were seized by Police (and retained). In many cases an offending knife was a kitchen knife or work knife it will have been returned to the parents - but always clarified in the crime report as to whether this is by the School or the Police. Where knives were taken from the School, for example from the Cookery Class, then they have also been returned to the School.
