Reported Crimes of Outraging Public Decency
January 1st 2017 ~ May 22nd 2018

N.B. - Although we have access to the Outcome data concerning Charging & Postal Summons, we have no information as to the progress of a particular case to court.

If we were to disregard the Crimes resulting in a Charge/Summons - there were 99 other crimes. To obtain and summarise the MO for each of these crimes would exceed the time limit.
